

1. Read Isaiah 14:12-15 (Morning Star is the translation of the name “Lucifer”, the devil’s name before he sinned). Where did the devil come from? What was his sin, what did he desire? Read Genesis 3:1-4. What did Satan tell Eve she would become if she ate of the fruit?
2. Does Satan tell us the same lie today, that we can become like God, to be our own god? Do you think the lies that Satan tells us always goes back to making ourselves our own god’s? How? If we believe that building our career is more important than having a good family, are we making ourselves our own god?
3. What is the attitude of our society toward a man or woman who put their family life as being more important than their career? How are people who do this portrayed in movies and television? How can you tell if you are putting your job above your family?
4. Many people believe that the fact that we have to work is part of God’s curse on creation because of Adam and Eve’s sin. Do you think this is true? How do you know? What did the curse do in regard to work?
5. Do you think that a married man or woman can be as devoted to their career as an unmarried man or woman? Do employers expect married people to be as devoted to their jobs as unmarried people? Do you think a person can have a successful career and a great family at the same time?
